

Minutes from the Community Preservation Committee meeting held on 10/5/22

Meeting called to order at 4:17pm

Members present: Randy Thunfors, Sue Coxon, Earl Moffat, John Masiero, Jared Gelormino

Guest: Dana Bixby

Minutes from 9/21/22 accepted.

The revised CPC application was accepted with the following changes: The Year for the first application will now be 2022 and 2023 rather than 2023 and 2024. Vote: Jared motioned, Randy 2<sup>nd</sup> Vote 5-0 for.

The scoring sheet was put on hold until we have an application.

Advertising was talked about quite a bit. Sue found out that it is okay to advertise the money that we currently have in our ads. Randy suggested advertising in the Eagle, The Edge, Local Yokel, Berkshire Natural Resource. Heather Bellow of the Eagle and Marcy Sudlow of the Edge will be contacted by Jared to see what kind of articles and rates we could get that would not take all our \$3500 budget that's for supplies and advertising. Jared will email us his advertising for approval.

John Masiero mentioned problems with the culverts in town. Question came up if the culverts are the town problem or could Kurt Wilton ask us for more money. It would improve fishing and canoeing and restore the stream bed on the Baker St. Crossing.

Next meeting 10/19, Wednesday at 4pm at the Town Hall. It will be a zoom too for those who cannot meet in person.

Meeting adjourned at 5:18pm

Minutes submitted by Sue Coxon, Chair
