The New District would be formed and governed in accordance with the proposed agreement filed by the 8 Town Regional School District Planning Board with the Select Board (the "8 Town Regional Agreement") (a copy of which is available for inspection at town hall and on the website 8towns.org).

Summary of steps for formation and operation of the Southern Berkshire Hills Regional School District

A new eight town regional school district, to be known as the Southern Berkshire Hills Regional School District (the “New District”), would be formed after an affirmative vote by the majority of voters in each of the towns of Great Barrington, Sheffield, New Marlborough, Stockbridge, Monterey, West Stockbridge, Egremont and Alford upon approval of the proposed eight town regional agreement (the “8 Town Regional Agreement”) by the Commissioner of the Department of Elementary and Secondary Education.

Following such approval, the eight towns would appoint members of an appointed transition committee in accordance with the terms of the 8 Town Regional Agreement. This appointed transition committee would be replaced by a district-wide elected transition committee (with residency requirements as provided in the 8 Town Regional Agreement) at the next biennial election to be held in November 2024.

Following its formation, the New District would not become fully operational, and the existing regional districts would not dissolve, until the following additional conditions are met, all as provided in the 8 Town Regional Agreement:

1. Voter approval of the debt required to construct a new high school for the combined district on the Great Barrington campus of the current BHRSD in accordance with applicable law and the terms of the 8 Town Regional Agreement; and
2. Passage of special legislation permitting (a) the transfer of the buildings and other assets (and liabilities) of each of the Southern Berkshire Regional School District (SBRSD) and the Berkshire Hills Regional School District (BHRSD) on the date the transition period ends and the New District becomes fully operational; and (b) the dissolution of the SBRSD and the BHRSD on that same date without further action by any public body.

Should either of those conditions not be satisfied by the date specified in the 8 Town Regional Agreement, the 8 Town Regional Agreement would terminate, the New District would dissolve, and the BHRSD and the SBRSD would continue to operate separately.
