### **FY21 Budget:**

Curt told the Board that the current budget is in good shape. They still have \$20,000 to begin the spring season and get a little more stone repair completed by the end of the fiscal year.

### **FY22 Budget:**

Curt informed the Board that the Select Board send all departments a letter to ask for level funding for the FY22 budget season. Curt believes the Board will be fine with having the same budget as FY21. They accomplished many things and he feels it can continue without increasing the budget this year.

Mary suggested that the Commission could possibly use interest from funds in the Perpetual Care Fund. Curt will speak to Elaine and look into it.
