Commission members present: Mary McClelland, Jennifer Kujawski, Lori Rose, Kelly Clady, John Masiero

Before the Commission: Aaron Biasin (White Engineering)

7:00pm: Meeting called to order.

7:05pm: Hearing opened for NOI at 1 Iron Mine Road (DEP file number 331-0113). Aaron B explained plans for moving and upgrading septic system in order to allow construction of an addition to the existing house. Activity will take place within the buffer zone of a wetland but will not impact that wetland.

7:20pm: After questions and discussion of the project the hearing closed by unanimous vote.

7:25pm: Unanimous vote to issue Order of Conditions with no special conditions.

7:30pm: Consideration of request from LEC Environmental Consultants, Inc. for an extension of an OOC (DEP file number 0110) for Crane Lake Camp. Unanimous vote to issue WPA Form 7-Extension Permit for Orders of Conditions. Mechanical vegetation control in Crane Lake will be allowed until August 18, 2026.

7:40pm: With a motion to close, meeting adjourned. The next monthly meeting will be on April 7, 2022 if needed.
