Also present: Mark Scoco, SK Design and Emily Stockman, Stockman Associates and Tyler Fogg (BNRC)

Meeting called to order at 7:07pm.

1) Lot 26, Silver Mine Lane- RDA Mark Scoco single family construction, surrounding area is maintained as non-disturbance zone, as per original order for development. House location out of buffer zone as well. Access road outside zone. JM made motion to accept plan with -1 determination, area not subject to act or buffer zone- all agreed. John will fill out and I'll send to Mark.

2) Emily Stockman and Tyler Fogg (BNRC), RDA for Stevens Glen Trail off Lenox Rd, looking to revitalize and relocate "looping" trail which, due to intermittent stream, crosses three bridges, one in West Stockbridge, 2 in Richmond. Looking for -3 to replace footings with 4 helical piles on the bank of said bridge with minor pruning in buffer zone. Majority of work in Richmond. LR motion to grant -3 determination, all agreed. JM will fill out and I'll send to Emily.

2) LR moves to adjourn at 7:30pm, approved.

Next meeting June 3 if agenda develops.
