- 5:40PM Meeting in session
- CG started meeting
- JR went over minutes of the previous meeting. No changes were made. CG made a motion to accept the minutes. JP seconded the motion. Passed unanimously.
- JP went over playground install. First week in August is the new anticipated installation date. He will check to see if a bench is coming with the playground so that we can order a plaque for the bench.
- JR went over the jungle gym still at the playground. Need to measure size to make sure it is still in regulation. CG will then check regulations.
- MR went over porta potties for the soccer field and card pond. She is ordering one for each area that will be serviced by the company providing them. MR assured the group that the porta potty company will take care of the regular cleaning of the porta potties as per MA state requirements. CG made a motion to use P&R funds for the porta potties. JR seconded the motion. Motion passed unanimously.
- MR also mentioned that the Select Board has decided that about 8 picnic tables are to be purchased using P&R funds and distributed around town for people to eat their take out dinners from local businesses. CG made a motion to use P&R funds to purchase 8 picnic tables. JP seconded the motion. Motion passed unanimously.
- MR left meeting.
- Group talked about the condition of the Card Pond area. JR mentioned that it could really use some tending. Many areas are covered with goose droppings and new sand and weeding could be done. JR mentioned that he will reach out to Curt about the sand and weeding. JR put some tools behind the shed at Card Pond to deal with the goose droppings as members have time to deal with it. JR agreed to talk with Nora about setting up the twine barrier for the geese to deter them from entering the areas.
- CG made a motion to dedicate the new playground to Ginna and Roland Dudney. HN seconded the motion. Plaque on playground to read as follows: "This playground is in memory of Ginna and Roland Dudney for their many years of public service to the Town of West Stockbridge." Motion passed unanimously.
- JR to talk to MR about a plaque vendor.
- 6:10PM Adjourn.
