- 5PM Meeting in session.
- CG made a motion to approve previous meeting's minutes. JR seconded. All approved.
- CG went over recent Select Board meeting. She introduced the new lifeguard and card pond groundskeeper. Both of them were approved and will start 6-22-23.
- CG then reported on the dog park that she talked about how the select board responded to it. The select board told CG to give all of the people who are interested in the dog park blessing from the Select Board to get together and start their own committee to research and put together a plan for a dog park. P&R will support the dog park committee in its research as they can, but the dog park committee will be its own entity entirely.
- CG mentioned that we will postpone Card Pond party. CG to postpone food, Joe to postpone live music. New date for Card Pond party is July 23.
- CW brought up repairs for skate park. CW said that simply removing the damaged section of the skate park is not an option as other parts of the skate park rely on it being there for safety. CW got an in depth explanation and quote for the repair from the person who built the skate park. Initial estimate is ~\$3500 for the repair. The group discussed the options and decided to earmark the remainder of this year's budget to go towards the repairs for the skate park.
- CG reported on research for handicap swing. She was unable to find a swing that matched what we had for a budget at this time and the idea is tabled for now.
- JR brought up list of Card Pond purchases totaling about \$500 for supplies for the lifeguard and new groundskeeper. CG made a motion to approve funds, AD seconded. All approved.
- Next meeting TBD
- 5:49PM Adjourn.
