- 5:35PM Meeting in session
- Group approved previous meeting's minutes. All approved.
- CK lives on Pixley Hill Road. Concerned about ATV and dirt bike traffic on road and Rail Trail. Wants to know if we can put up sign that says no motorized vehicles on the trail. It was mentioned that the trail is a walking trail only by law. The group discussed and agreed that a sign would be a good idea.
- JR read email from Curt Wilton regarding Tennis Court issues. He got an estimate for tennis court repairs and it totals \$9850.00. Group discussed possible ideas for gaining funds for these repairs. CG will email John Parker about posting in the local yokel about asking for donations from the towns folks.
- JR went over new sign at Card Pond. Location and looks are very good. Everyone is very happy. JR also went over goose prevention attempts. Decoys were a pretty bad failure. JP will look into neighboring beaches to see how other places do fences. JR will talk to Curt Wilton about fence applications.
- CG wants to get a sign made for Card Pond "Children under the age of 16 must be supervised by an adult", "Swim at your own risk", "Area under video surveillance", "please use trash cans". Video surveillance to be its own sign. JR will do research on signage and cost on trail camera.
- CG addressed Halloween update. Looking to get more donations and decorations for the event. CG went over all of the donations. AD will donate large amounts of tarps. JR will donate many pallets. Group will look into hay bales.
- 6:45PM Adjourn.
