

# **West Stockbridge Parks & Recreation Committee**

**Minutes for Meeting on:**

**5/19/2020 - 5:30PM**

**21 State Line Road, West Stockbridge, MA**

**This was a Zoom meeting**

Attendance: Nora Calautti (NC), Caitlin Graham (CG), Joe Roy (JR), Helen Nolan (HN), Curt Wilton (CW), (JP) JP Boscorino

- 5:35PM Meeting in session
- CG started meeting
- JP went over three proposals for the new playground. After reviewing the proposals the board voted to accept the proposal from Site Specifics as they were the low bidder but also gave the best proposal and came with high recommendations from neighboring towns. CG made the motion to accept the proposal. JP seconded the motion. All members were in favor.
- JP also showed a quote on replacement swings for our current swing sets. This also included a "Therapy Swing". JP mentioned he will look into the Therapy Swing a bit more and report back at our next meeting.
- CW mentioned that we have nearly enough funds for the playground but need to carry forward funds from FY20. JP will order the playground with Site Specifics and then will write a letter to Elaine Markham saying that we would like to "carry forward any balance from FY20 to pay for the playground".
- CW mentioned he will put a large picture of the playground and post it on the playground.
- JR reported that he has been in touch with members of the American Legion about helping with the Memorial Day ceremony. They declined and asked if they could do their own ceremony without any other people in attendance. JR got in touch with Marie Ryan and said that we could do our own ceremony after the wave parade. The board talked about this at length and it was decided that we would proceed with our plans to do a small ceremony in conjunction with the Select Board after the wave parade.
- JR asked for a vote to approve minutes of 5-11-20. CG made a motion to accept minutes and JR seconded the motion. All were in favor.
- 6:10PM Adjourn.

Respectfully submitted by,

Joseph P Roy

West Stockbridge Parks and Recreation Clerk
