TurnPark Art Space Application Supplement

TurnPark's annual festival Open Heart will be a joyous and healing event with performance art, sculpture, theater, music, immersive installation, interactive art, meditations and rituals. This event also serves to bring awareness to the atrocities being committed in Ukraine using Art created by immigrants, refugees and Americans of Eastern European decent. It is a continuation of our fundraiser for Ukrainian refugees which has raised over \$5,000 and filled two box trucks worth of humanitarian aid so far.

TurnPark's parking lot holds approximately 35 cars. Our plan is to use informational signs around town to signify where the event is happening and where parking can be found. Signs will direct visitors to both the water treatment plant parking area and the town parking lot next to the Werkshires building. TurnPark staff and performers will use TurnPark's back parking lot.

At this point we aren't expecting as large a crowd as we have had in past festivals. Either way we will hire at least one police officer to keep us and the town safe.
